to the construction industry

## **Ulland Brothers, Inc. Scholarship**

In an effort to foster higher education, the board of directors set up the Ulland Brothers, Inc. scholarship fund. The purpose of the scholarship fund is to provide financial assistance to the children of the employees of Ulland Brothers who are attending institutions of higher education. Scholarships may be used for public or private post-secondary education including colleges, universities, community and technical colleges. Recipients are encouraged to investigate a career in the construction industry. However, they are free to major in whatever field of study they choose. One scholarship of \$1,000 will be awarded each year.
